DU TV AMERICA'S LONGEST-RUNNING WATERFOWL SHOW

"Historically, *DU TV* has been one of the most important and effective tools Ducks Unlimited utilizes to reach active waterfowl enthusiasts."

ADAM PUTNAM, CEO, DUCKS UNLIMITED

"*DU TV* brings our audience exciting waterfowl action from around North America while showcasing our conservation mission.

The people and places captured by *DU TV* cameras are the organization's strength and the basis for 85 years of unparalleled achievement in wetlands and waterfowl conservation."

DOUG BARNES, DUCKS UNLIMITED CHIEF BRAND OFFICER

DECADES OF ADVENTURE

Premiering nationally in 1997, *DU TV* seeks to educate and entertain hundreds of thousands of activists and enthusiasts alike—52 weeks per year on Sportsman Channel and 24/7/365 through a full complement of leading digital platforms.

Founded in 1937, Ducks Unlimited recently surpassed 16 million acres conserved through projects across the United States, Canada, and Mexico. As DU looks to the next 85 years, increasing opportunities for waterfowl recruitment and hunting on public and private land remains a top priority. *DU TV* features and engages those volunteers and activists who are not only avid and seasoned hunters, but also active in wetlands and waterfowl conservation across North America.

Showcasing exceptional waterfowl hunting and adventure is one of the core missions of *DU TV*. However, the chance to highlight DU's loyal supporters and volunteers—mixing their stories with the benefits of science-based, sportsmen-funded wetland and waterfowl conservation—is the real magic behind *DU TV*.

THE LANDING ZONE

DU TV anchors the **Landing Zone presented by Ducks Unlimited** content block Saturday afternoons on Sportsman Channel. This is the **ONLY** waterfowl content block on major cable television!

OVERVIEW

Ducks Unlimited has a rich history in the development and management of national sponsorship programs, product licensing, affinity marketing, national promotions, and retail relations. Today, Ducks Unlimited enjoys a robust portfolio of partnerships in a variety of different product categories and industries. Many Ducks Unlimited corporate partnerships have been active for 5, 10, and even 25 years because they are effective for corporate partners and in raising vital funds for habitat conservation. This compelling factor motivates consumers to switch brands to those that support DU.

Nearly all Ducks Unlimited members say they would be more likely to purchase products from a company that directly supports DU over one that does not, and 87% would be willing to pay a slightly higher price for the product.

Case studies of DU partnerships reflect successful programs that are affordable and provide a good return on investment.

No two partnerships is one alike. Each is designed and tailored based on partner business objectives and DU's promotional, brand, and fundraising goals. Ducks Unlimited creates easy one-stop programs that integrate cause marketing strategies, advertising, cross-promotions with other companies, event marketing, digital platforms, and PR activities.
